POLICY OF THE MACLEOD TIMES

The editorial policy of the Macleod Times during this provincial election for future ones during such time as Macleod has but one newspaper, is and will be to take a strictly neutral stand regarding politics.

The personnel of The Times' business patronage is divided on political questions—some favoring one school of politics—some another—and the management of this paper does not believe it would be fair to exploit the views of a portion of the patrons and supporters of this paper at the expense of the other portion.

The Times speaks the thoughtful consideration of its readers in perusing the arguments and statements in this paper with a view to making an intelligent decision at the polls in the coming election in the best interests of this district and of the province.

Articles which may appear under the editorial caption of The Times on this page during this election and voicing political opinion will not have emanated from the editor of The Times but directly from the representative of one or the other of the political organizations embattled in this election campaign.

Space in The Times' editorial columns is available by either candidate for election in Macleod Provincial Constituency.

TO THE INDEPENDENT ELECTORS OF MACLEOD:

LADIES AND GENTLEMEN:

I am a candidate in the coming election for the following reasons:

1. Because I am Conservative and endorse in their entirety the politics of the Conservative Party, and also the leadership of Mr. A. A. McGillivray.

2. Because I am determined that no manipulation to the contrary will bar loyal Conservative voters from the opportunity of supporting a candidate of their own party in the Macleod Constituency.

3. Because I protest with all my being, now, as I have always protested, for these many years, against the disgraceful maladministration of affairs under the old Liberal regime of Sifton and Stewart.

4. Because as long as I have life (and I am thankful even at my advanced age I still have plenty) I shall never allow, without a fight, this historic old constituency of Macleod to be a party in handing back to the same organization of Liberal politicians in Alberta, the reins of power which have always been the sole object of their political existence.

5. Because the present U.F.A. Government has demonstrated on every hand its entire lack of capacity, and during five years has failed signally in the task of "cleaning house," which they took over in 1921. The finances are worse; the debt is greater; taxation has increased; our credit is prejudiced; the Railway problem is unsolved;

The Telephone situation is critical; the Irrigation District's troubles are multiplied; the Natural Resources restoration has proved to be a fiasco; the immigration needs are forgotten; the coal industry is falling behind; no important measures of any kind have been enacted; the Government is marking time in fear and indecision.

6. Because recent events at Ottawa and in Alberta leave no room to doubt that collusion exists between the Liberal and Progressive "fixers" at Ottawa, and those at Edmonton, I am persuaded that a vote for a U. F. A. candidate now, is a vote for the Liberal Party ultimately. It has been indisputably demonstrated at Ottawa, and it will be the same at Edmonton also.

FELLOW ELECTORS: You appreciate, as well as I do, the difficulties under which my campaign is being conducted. I have not had sufficient time, or financial means to put as much vigor into the battle as my heart would wish, but I do possess in abundance that loyalty to the Conservative cause, which so many of my friends of many years also possess. I am happy to leave the cause of the Conservative Party in their hands, and will cheerfully accept the results at the polls.

Kindly remember that a vote for Robert Patterson now is a vote for the same Conservative principles which have stood the test of time in Alberta, and for a new Conservative Government under the able leadership of A. A. McGillivray.

(Sgd.) Robert Patterson.

A FEW MORE FACTS

In 1917 Dominion Subsidies provided for all charges on the Public Debt and left a surplus of \$369,692 available for the ordinary Provincial services. In 1922 it required all of these Subsidies, all of the Supplementary Revenue Tax, all of the Amusement Tax, and an additional \$33,315 to pay these charges.

In 1919 Hon. Mr. Mitchell defended the retention of the Supplementary Revenue Tax by reason of the fact that our requirements have grown, our educational system has grown and our institutions, we require more money. In 1922 debt charges on the capital borrowings of 1919 1920 and 1921 alone absorbed all of the revenue received from this Tax and an additional \$526,794.

In addition to finding funds to meet these demands, the present Government has had to find an additional \$5,000,000 to meet educational charges in the past five years as compared with the demands of the five preceding years. Health charges have required an additional \$1,000,000.

The Province entered the year 1917 with a deficit in revenue of \$778,018 on the previous year's Budget. In the years intervening between 1917 and the end of 1921 expenditure increased by \$4,500,000 yearly, while revenue only increased by \$3,000,000.

The net amount added to the Public Debt during these five years totalled \$28,831,566 despite the fact that three of these were war years when borrowing almost ceased, except for war purposes. In addition the net indirect liability of the Province was increased by \$1,914,517 on the greatest part of which the Province is now carrying the interest charges. During the five years of this administration a net reduction has been made in indirect liabilities of \$4,759,320.

These are the reasons why it has been necessary to add the amount of \$2,525,163 to revenue collections as compared with the revenue of 1920. Of this new sum \$2,233,492 has been required to meet the increase in Public Debt charges. The increase on 1920 and 1921 borrowings totalled \$1,400,000 of this amount.

On March 11th 1921 Hon. Mr. Mitchell made this statement "In the past two years, we have been able to make both revenue and expenditure meet, with a little to spare on the revenue side. This has not been brought about without considerable effort. FOR BY GOING OUT AFTER OUR ARREARS OF TAXES WE HAVE TIED OVER SEVERAL YEARS OF OPERATION WITHOUT IMPOSING NEW TAXES. The current year, however finds us facing INCREASING EXPENDITURE, due to expansion and development that cannot be delayed longer, and at the same time with sources of revenue that cannot quite span the gap for these extra requirements."

"The Province must have revenue, and it is preferable to secure this additional revenue by judicious taxation than to depend on the doubtful expedient of borrowing to cover shortages. However a period of depression like the present is a difficult time both for the imposition of new taxes and the CUTTING OF EXPENDITURES."

"The Government has been economical why have not you Provincial taxes been reduced?"

2. Why has it been necessary to impose new taxes and increase old ones?

3. Why has the Provincial debt risen more than 22 millions of dollars during the Greenfield-Brownlee regime?

4. Why is the northern railway problem not settled?

5. Why is the Lethbridge Northern Irrigation District question in a muddle?

6. Why is the south-eastern drought area problem unsettled?

7. Why have not the natural resources been turned over to the Province?

(Sgd.) W. H. Shield.

PERTINENT QUESTIONS

J. W. McDonald, in answer to the voluminous literature published by the Government and designed to show administrative economy and administrative ability of the Government, asks the following pertinent questions:

1. If the Government has been economical why have not you Provincial taxes been reduced?

2. Why has it been necessary to impose new taxes and increase old ones?

3. Why has the Provincial debt risen more than 22 millions of dollars during the Greenfield-Brownlee regime?

4. Why is the northern railway problem not settled?

CONSERVATIVE PRINCIPLES ARE RESTATED BY THE CONSERVATIVE LEADER

A. A. McGillivray Sets Forth in Plain Language What the Provincial Conservative Party Stands for in Coming General Election.

Co-Operative Marketing Extension is Advocated

Proportion of Moneys Expended on Roads to Go Toward the Maintenance of Country Roads as well as Main Highways—Encourage the Inflow of Capital and Immigration to Supplement Efforts of the Dominion Government.

SPEAKING at Rockyford on Tuesday afternoon, June 18th, in support of Hugh Miller, Conservative candidate in the Gleichen riding, A. A. McGillivray, leader of the provincial Conservative party, reiterated the items in the policy of the party that he has stated from different platforms in Alberta since being elected leader in August, 1925.

In his usual fighting style, Mr. McGillivray reviewed the record of the old Liberal administration and the record of the present government. Summing up his appeal to the electorate following the declaration of political principles, Mr. McGillivray said the Liberal party cannot go back into power and its record cannot be hidden under the cloak of a new convert.

Give Them Change

The present government has failed to cope with public questions, the chief of which are redistribution, the northern railways, natural resources and the finance problem that it has had to face, then why not give the provincial Conservative party a chance to demonstrate what it can do? Mr. McGillivray left here at 8 p.m. for Oyen and other points in Acadia riding.

In reiterating points in the Conservative policy that have been enunciated by him from many platforms since he took the leadership of the party in August, 1925, Mr. McGillivray said: "I have not gone in for the form of political advertising that is known as the manifesto. I observe that the Liberal leader leaned toward them in 1921. He issued one which commenced as follows: 'Truer representative government to replace the party system. Independent candidate in West Calgary outlines constructive proposals for the establishment of a democratic government freed from partisanship and partyism. Proportionate representation truly reflects popular will. Patronage system which is vital to the maintenance of party system and is today a national scandal, will disappear under the reformed method of election.'"

"In so much as the new manifesto of the Liberal leader commenced as follows: 'Liberal manifesto—J. T. Shaw, Liberal leader, issues statement of party policy,' and in so much as this latest manifesto by Mr. Shaw, in so far as it does not consist of copy-book platitudes and glittering generalities, is partly taken from the pronouncements of the Conservative party, it may be well for me to restate the position of the provincial Conservative party upon some of the principal issues, a position taken and given public expression to on the platforms of this country at times when Mr. Shaw was still an Independent."

Conservative Platform
 "The provincial Conservative party stands for the following:

"1. Redistribution whereby the number of constituencies will be reduced so that there will not be more than 45 members in the legislature. This reduction to be made having due regard both to population and to the sparsely settled areas."

"2. Reduction in the amount paid as sessional indemnities of members by \$500."

"3. A determined effort to make of the United Farmers of Alberta organization something more than a mere political machine and to advance its development along social and economic lines."

"4. The encouragement of co-operative marketing. Even as supporters of the Conservative party brought Sapiro to Alberta without thought of political advantage, so will the Conservative party support any movement for the benefit of the farmers, without seeking political glorification."

Money for Roads
 "5. A fair proportion of the moneys expended on roads being

on Thursday, Friday and Saturday. Director Del Andrews has transposed to celluloid a rollicking yarn, and has handled a corking cast and splendid situations perfectly. Intermingled with really exciting thrills are innumerable hearty roars; and if the critics who have already seen this production can be taken as criterions, it is the best of the Thomson pictures to date; even surpassing "The Bandit's Baby" and "Quemado" in merit. There are some marvelous fight scenes, and Fred's stunts with Silver are extraordinary; even to the point of riding the big white horse out of the baggage car on a moving train. Incidentally Silver upsets all the dope about horses in "Ridin' the Wind" by giving a wonderful performance in a burning barn; the first time, it is said, that a horse has ever been able to act in the face of the hereditary fear of fire which is characteristic to that animal.

MACLEOD FARMER M.P. WILL
 PRESS RESOURCES ISSUE

Ottawa, June 22.—(Canadian Press).—"Before the session ends," announced G. C. Coote, Progressive member, Macleod, today, "the government must either proceed to transfer the natural resources of Alberta or face a motion of censure for their refusal to act."

Last week when the Davis motion of non-confidence was before the house, Mr. Coote voted with the government. "The amendment of Mr. Davis," says Mr. Coote in his statement today, "was simply a straight want of confidence motion and did not mention the question of Alberta's resources."

"Had it carried, its effect, as I understand it, would have been not only to defeat the government, but to put an end to any chance of the long term farm loans bill and the Campbell bill to amend the Canada Grain Act, which we had worked so hard for this session, being dealt with by the senate."

"Before this session ends the government must either proceed to transfer the resources or face a motion of censure for their refusal to act."

He's a normal kid if he could swear the books didn't mention the subjects referred to in the examination papers.

Home food would taste as fancy if you'd put enough sauce on it to make you guess what it is.

JUNE ON THE MERRIMAC

Here can't forget his dreary tone,
 And care his face forlorn;
 The liberal air and sunshine laugh
 The bigot's zeal to scorn.

From manhood's weary shoulder
 falls
 His load of selfish cares;
 And woman takes her rights as
 flowers

And brooks and birds take theirs.
 The license of the happy woods,
 The brook's release are ours;
 The freedom of the unshamed wind
 Among the glad-eyed flowers.

We walk on holy ground; above
 A sky more holy smiles;
 The chant of the beatitudes
 Swells down these leafy aisles.

Thanks to the gracious Providence
 That brings us here once more;
 For memories of the good behind
 And hopes of good before!
 —Whittier.

VOTE "1" FOR W. H. SHIELD

In voting for a candidate an elector should exercise the same care as he would in engaging a manager for his business.

The main question should be "What are his qualifications, and his record?" You judge a prospective employee, not on what he promises to do, but what he has done.

The Liberals have a record of sixteen years of office in this Province. This record they do not, and cannot defend. The public, however, has not forgotten it.

The Conservatives have no record at all. Their return, as that of the Liberals, would mean a return to the party system, and all that it implies.

The U.F.A. ask for your vote on June 28 on their record for the past five years. They offer a continuation of sound business administration for the benefit of the people of Alberta as a whole, and co-operation in place of party division.

The only argument Liberals and Conservatives offer is that of promises. The Government's argument is performance.

During the past five years, the cost of administration has been reduced 14 per cent., the Civil Service has been transferred from a basis of patronage to a basis of merit, a real highway policy has been put into effect, health and education services have been increased, etc. Efficiency is much greater in every department of government as a result of transference from a basis of party favoritism to one of business administration.

The Government have had to face the opposition of the daily press, they have had to shoulder the legacies of railways, irrigation schemes, cow bill, seed and feed relief payments, etc., responsible for our present debt. They have had to face the inaction of the Liberal Government in Ottawa with regard to natural resources, railway and colonization responsibility, provincial control of power and mineral development, etc. But despite these handicaps they have made remarkable progress.

Note the improvement since 1921.

ANNUAL REPORT ALBERTA DIVISION CANADIAN RED CROSS

The Annual Report of the Alberta Division Canadian Red Cross Society is now off the press, and is obtainable free by mail.

This report covers the work of the various departments of Red Cross work in Alberta: viz Junior Red Cross and Crippled Children's Hospital, Rural Hospital and Nursing Service, Health Education and

Information Bureau also the financial statements of the Division. The officers for the ensuing year are representative of the chief citizens of this province with His Honor Lieutenant Governor Egbert as President. The Provincial Council includes many of the directors of the men's and women's service clubs of Alberta. The peace policy pledges the Red Cross to improvement of health, the prevention of disease, and the mitigation of suffering throughout the world. How

that pledge has been kept in Alberta is summarized in the Annual report of the operations of the Society for 1925.

The small outposts run by the Red Cross show records of lives saved, births attended, and much sickness and suffering relieved. The need is for still more outposts, staffed by Red Cross nurses and ready to assist the settlers in the sparsely populated districts. A new phrase of Red Cross is the establishment of Home Nursing Classes for the instruction of women in the art of nursing the sick in their own homes. The Alberta Division has not only an English speaking nurse in the field actively engaged in this important work, but has recently added to the staff an Ukrainian Nurse for the foreign field, where great need is manifest amongst the immigrants from southern Europe.

Junior Red Cross in schools has made rapid progress and reports show 15,000 school children enrolled for Health and Happiness. Health Education records show an advance and an increased demand for health literature, lectures etc., a service which is available free to any community. CAPTAIN SHAW

"The announcement that Captain Shaw, who has represented West Calgary in the House of Commons as an Independent member for the past four years, will not be a candidate in the forthcoming election will be received with the deepest regret, not only in all parts of Alberta, but among forward-looking people throughout the Dominion.

"Capt. Shaw's withdrawal from public life would be a very serious loss to Canada. He made his mark in the last parliament, and he is recognized today as a parliamentarian of independent spirit and of outstanding ability and courage. He is one of a still small group of men in the federal sphere who have been paving the way for a real advance from the petty personal politics of today, to constructive and genuinely progressive statesmanship. His early return to public life will be hoped for by all who are familiar with his record of service in the parliament recently dissolved.

"Since the announcement of Mr. Shaw's intention not to be a candidate very great pressure has been brought to bear upon him in Calgary in the hope that he will reconsider his position. We trust that he may yet decide to allow his name to go before the electors on October 29th."

JOE MARTIN, THE GIANT GORILLA MAN, SEEN WITH AL. G. BARNES CIRCUS AT MACLEOD SATURDAY, JUNE 26th.

"W-h-o-o-p-e!"
"The Indians are coming—uncover the covered wagon and save the women an' furniture!"

From wild and arid desert of Arizona—the cactus-covered plains of Nevada and the rolling hills of New Mexico tribes of wild Indians have traveled to join the Al. G. Barnes BIG 4 RING circus coming to Macleod, Alta., June 26th.

These full-blooded American Indians will play an important role in the gigantic east of the greatest, sensational circus feature of the age, "Pocahontas at the Court of Queen Anne", the lyrical extravaganza that opens the big program.

Hopi, Washoe, Escondido and Apache Indians are some of the tribes to be represented in all their war-paint. The Hopi Indians will "show the world" how the famous Hopi Snake Dances are performed.

Thousands of people travel to Arizona every year to witness the marvelous performance of the Hopi Indians, when the fantastic, religious snake dances are held to the rhythm of the weird aboriginal desert.

In the course of these dances the Hopi encircle themselves with poisonous rattlesnakes and put the heads of the deadly reptiles into their mouths. These ceremonies will be repeated under the big-tops where all can witness them, in addition to the "daredevil feats" of 2000 educated wild animals.

Lotus, the largest blood-sweating performing hippopotamus in the world will also be there. Over 1080 performers are included in the big show this year.

And last, but not least, there will be the greatest movie-star of them all—Joe Martin, himself.

It's the show that's different every year.

CAPITAL GOSSIP AND PROV. NEWS

Crop Conditions Improved

Since the publication of the official crop report of the Provincial Department of Agriculture a week ago, conditions have been considerably improved in the southern portion of the province by heavy rains. These were general over a considerable area south of Calgary and east, south and west of Lethbridge, and good showers also fell in the south-eastern district. These rains have brought relief to grain crops which were beginning to suffer from lack of moisture, and the general outlook now is very satisfactory.

Many Wells Drilling

Turner Valley south of Calgary is witnessing considerable activity in oil drilling line, there being now fifteen wells in process of drilling with five others ready to start drilling within the next few days. Arrangements are being made, it is stated, to bring the Macleod well in as a producing well, at a depth of about 3,700 feet. This well is giving a grade of naphtha as high or higher in quality than the famous Royalty No. 4, which for more than a year has been giving a production

of 15,000 barrels a month of 73 degree Baume oil.

20,000 Write Exams.

A total of 20,000 pupils are writing in Alberta this year on the mid-summer departmental examinations which have been in progress during the past week. This is an increase of about 10 per cent. over last year.

Homesteads Taken Up

More than 80 homesteads have been taken up by incoming settlers during the first two weeks of June at the federal land office at Edmonton.

SPRING POINT NEWS

Crop conditions in the Spring Point district look considerably brighter since the heavy rainfall last week.

The Hunter Brothers and Messrs. Hoffman, Durant Smith and the Burton boys are leaving for the Winnipeg Exhibition on June 27th—the boys are planning on motoring through, having shipped their saddle horses and equipment. "Good luck to you boys, and we need not tell you to have a good time."

Alex Moezappa, who has been working in the Spring Point district, left last week for Coleman, where he

From Sun-Bathed Orange Groves

THERE'S nothing like a sparkling, fruity drink filled with flavor of the luscious orange. That's Orange-CRUSH—just the purest, finest, fruit-flavored drink in the world! From California's sun-bathed orange groves it comes.

And the Orange-CRUSH Krinkly Bottle with the name Orange-CRUSH blown right in is always your guide to the genuine.

Drink sparkling Orange-CRUSH any time—everywhere. Here's what makes it so good:—To healthful, carbonated water is added the juice of luscious oranges—the delicate flavor of their peel—the zestful tang of the fruit acid found in oranges, lemons and limes—a pure food color, such as you use in your cakes and candies—pure cane sugar. A truly delightful, true-fruit drink.

HERRIOT TRYING TO FORM CABINET

Paris, June 19.—Edouard Herriot, charged by President Doumergue with the task of forming a cabinet, spent the entire morning discussing measures to save the franc and finally settle the country's pressing financial problem. Until he reaches a conclusion on these questions, it is stated, constitution of the new ministry will be held in abeyance. It is indicated that his second ministry will greatly resemble his first.

Rene Renoult, Edouard Daladier, Jacques Dumesnil, Camille Chautemps and Anatole De Menthon, his five principal lieutenants in the first combination, are regarded as certain of places in the second.

To them will probably be added Maurice Bokanowski and Louis Barthou, while there is a possibility that inducements will be held out to Andre Tardieu to enter the new cabinet as minister of finance.

Many political observers profess to believe that even if M. Herriot manages to form a cabinet it will be short lived.

On Sunday, June 20th the Primary Department of the Sunday School of the United Church celebrated Children's Day. Many parents and friends were in attendance and were delighted with the programme. Flowers, music, recitations and primary exercises made a most entertaining hour. Even the Cradle Doll babies were remembered, a lullaby chorus being sung while Albert Thompson rocked a miniature cradle. The exercise celebrating the fifth birthday of Chris Ridley was very pleasing. For several years this department of the Sunday School has been under the leadership of Mrs. O. F. Farnet, and the care and attention she and her

CALGARY EXHIBITION AND STAMPEDE

Great preparations are being made for the Calgary Exhibition and Stampede, to be held July 5th to 10th, next. Every year this great annual holiday event is enjoyed by larger crowds and the event itself is improving in the matter of size, thrills and educational features. This year, all previous successes will again be surpassed. It is the extraordinary features of the Calgary Exhibition and Stampede that makes visitors so enthusiastic. No other Exhibition and Stampede provides such entertaining free features up town. These include the great opening feature, the Stampede Parade, held Monday morning, with thousands of Indians, cowboys, chuck-wagons, mounted police, old-timers, industrial floats, etc. In this Parade there will be at least 1500 horses and nine bands. On Tuesday and Thursday mornings, there is the up-town street display, where autos are barred and cowboys, Indians, chuck-wagons, old-timers outfits, packing competitions, etc. provide colorful programme never to be forgotten. Special prize list has been issued for these events and may be had on application. Friday night is the night of the great cowboy and old-timers ball, when ten thousand dancers will step to music provided by five bands. In all of the above events, His Majesty's Coldstream Guards Band will participate.

The exhibits at the Exhibition Grounds will be more numerous than ever, as \$2,500.00 has been added to the prize list. The best livestock will be gathered together from Canadian and United States herds. The horse races will bring together the best thoroughbreds from a radius of two thousand miles. Both the races and Stampede events will be continued for six days this year. The famous Calgary Stampede has been enlarged and improved by the addition of Canadian Championships for bucking horse riding and calf roping, as well as the open competitions in various cowboy sports. Over five hundred of the best livestock, from all parts of Alberta have been arranged for and further improvements have been made to the corral, so that the programme can present the maximum of thrills. His Majesty's Coldstream Guards Band will play each evening in front of the grand stand. This is considered the best military band in the world. An especially fine vaudeville programme will close each evening's entertainment and Saturday night a stupendous fireworks programme will be added as a great closing number.

Exhibition entries closed on June 19th, and Stampede entries close on July 1st. Reserved seat reservations may be made by writing to Mrs. John Wilson, Ticket Superintendent, care Grand Theatre, Calgary, and rooms may be reserved through Mr. Dan Whitney, President of the Alberta Hotel Association, who is conducting a free accommodation service.

Come prepared to wear cowgirl and cowboy attire and enjoy the wonderful holiday and be in Calgary Monday for the great Stampede Parade.

RICE PUDDING THE CHILDREN WILL LIKE

Mothers realize the healthful properties of rice and its importance in a child's diet, but often find that the simple methods of serving it boiled or as a baked custard become monotonous and distasteful. By combining it with fruit it takes on an entirely different appearance which is sure to appeal to the child's appetite. And although its flavor is also changed, it carries the same amount of nutriment—in fact more, because fresh fruit is also beneficial. This pudding, which is easily prepared, can be served as a main luncheon or supper dish for children, and with a few added touches becomes a dainty dessert for the grown-ups.

Boil one cup of rice in a quart of salted water until very soft, drain the rice, add a cup of milk and then

cook until it is like mush. Add a tablespoon of butter, half a cup of sugar, a tablespoon of lemon juice and a little of the grated rind, and two well-beaten eggs. Arrange in a well-buttered enameled ware baking dish, place halved ripe peaches over the surface, with a split blanched almond in each cavity, if desired. Then brush over with melted butter and sprinkle thickly with powdered sugar. Bake in a hot oven about thirty minutes. For the children, serve it plain, either hot or cold from the dish in which it is baked. For the grown-ups prepare a hard sauce as usual, beat well, then fold in some peach pulp to flavor well, also if desired the stiffly beaten white of one egg.
